

Proof Highlights

Goldwyn and Legacy, leaders in Canada

CIAQ with confidence

PDF file summarizing proof highlights :

- for the [Holstein breed](#) (152 ko)
- for the [coloured breed](#) (103 ko)

[Holstein](#)

[Série Cardinal](#)

[Ayrshire](#) [Jersey](#) [Brown Swiss](#)

[Goldwyn](#) takes the 1st LPI position in this round with 2217 points and maintains his type proof at +19. [Mr Burns](#) confirms his proof with the addition of 10 daughters and ends up in 4th place. Among the top 10 LPI sires, 9 are owned by The Semex Alliance. [Frosty](#) gets a Mace proof with 2316 LPI points, followed by [Buckeye](#) with 2065, and [Manassa](#) completes the list of sires proven in the USA with 1816 points.

Two newcomers rank among the top 10 LPI sires. Lehoux [Larez](#), a son of Aerowood out of Lehoux Lee Fabienne, makes his debut in 5th LPI position. He stands out by his fat production proof and ranks 9th (87kg). 200H03348 Ginary [Tandem](#) (Allen x Ginary Rudolph Tanja) is the second sire to be added to the proof sheet with 1959 LPI points.

[More details](#)

Take advantage of some semen [SPECIALS](#) until 12 August 2007!

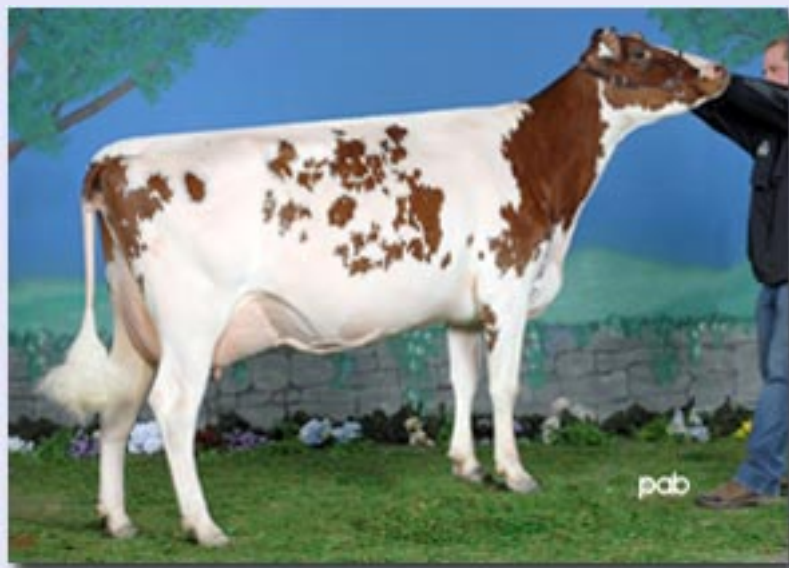

[Clari Tandem Anabel](#), GP-84-2Y
a daughter of [Ginary Tandem](#)

[Sandihills Pat Larez](#), NC
a daughter of [Lehoux Larez](#)

[Ayrshire](#)

[Estran Poker Pétard](#), GP-84-2Y
a daughter of [Des Chamois Poker](#)

[Poker](#) and [Modem](#) increase their LPI index and exchange positions in the list as compared to the February proofs.

[Poker](#) continues to impress, improving all the main type traits with the addition of 23 new daughters. He stands in 2nd place for type (+14) in the country and in 4th position on the LPI list.

[Modem](#) maintains his impressive record and ends up in 5th place for LPI. Modem sires very balanced cows, showing solid type while improving production.

[Diligent](#), [Perceval](#), [Colargol](#) and [Calimero](#) have all improved their LPI index.

The Ayrshire proof sheet features a newcomer, 200AY0104 Oakburn [Grange](#) (Galant x Ripken) with 1412 LPI points. He is sired by Galant and transmits high production, solid feet & legs and desirable health traits to his daughters. [Grange](#) represents an excellent cross with Copper, Conn, Diligent, Calimero, Romeo, Ice Man and Perceval daughters.

[Jersey](#)

[Charlyn Legacy Gennie](#), VG-85-3Y
a daughter of [Hollylane Lillibet's Legacy](#)

While [Legacy](#) and [Senior](#) maintain they status of top LPI duo, SHF Centurion [Sultan](#) continues to display exceptional indexes from one proof round to the other.

With the addition of 79 new 2nd crop daughters, [Sultan](#) adds 70 LPI points and moves up the ladder, reaching the 8th position in the country. Sultan has received very positive comments since a large number of his daughters have started to calve across North America, creating a real craze with breeders.

200JE0315 Refuge Perimeter [Shooter](#)-ET (Perimeter x Barber) reaches 4th place on the LPI list and is added to our offer. Offering a profile similar to that of his sire Perimeter, [Shooter](#) transmits very good production yields with impressive consistency throughout the lactation and his best asset is a remarkable protein yield of +51 kg (+0.13%). [Shooter](#) also excels with a great proof for herd life and a desirable somatic cell score.

Type-wise, [Senior](#) dominates the Semex Alliance sire group, ranking 2nd with +10 while his brothers [Jamaica](#) and [Comerica](#) stand in 3th place, also sharing the podium with Golden Chairman.

[Brown Swiss and Canadienne](#)

A new sire, Roffler's President [Tau](#) (President x Starbuck), is added to the proof sheet. [Tau](#) has an exceptional proof for mammary system (+14) on top of bringing diversity to our offer.

R Hart [Cartoon](#) slips in 5th position on the LPI list with 1069 points.
