

## Lucky Star

### A popular sire has been eliminated

200HO4740 Bofran [Lucky Star](#), former LPI #1 sire, was euthanized on August 26 due to a severe leg problem that was first discovered on August 22. In spite of excellent veterinary care his condition was such that he was unable to recover.

Lucky Star semen is still available through [A.I. technicians](#) or [on-farm representatives](#).
